Collezione Fantasia

L'accurata ricerca stilistica è pienamente rappresentata all'interno di questa serie dall'eleganza essenziale e contemporanea. Fantasia è la prima collezione dove il legno naturale e i colori dalle tinte pastello si incontrano generando una perfetta armonia.

The accurate stylistic research is completely embodied in this assortment of essential and contemporary elegance. Fantasia is the first collection where natural wood and pastel shades meet, generating a perfect harmony.

ESSENZA LEGNO / WOOD ESSENCE

Tiglio / Lime Tree

CARATTERISTICHE

La materia prima viene selezionata meticolosamente, ed è utilizzata solo quella di prima qualità.

Il pregiato legno di tiglio si presenta di colore chiaro e omogeneo, tenero da lavorare e molto resistente, ideale per la realizzazione di cornici di stile.

CHARACTERISTICS

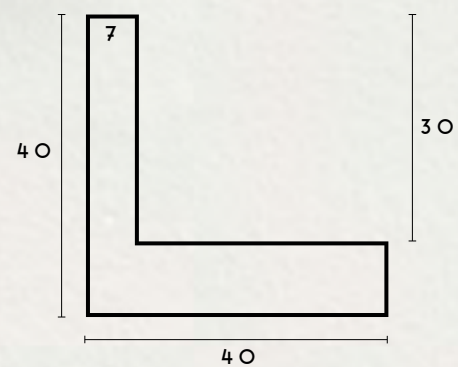

The raw material is meticulously selected, and only the highest quality is used.

The valuable lime tree has a light and homogeneous color, is soft to shape and very resistant, ideal for creating stylish frames.
